

Snowflake Memory Ornaments

Celebrate or remember your family member or someone special during the Christmas season.

Snowflake memory ornaments will be placed on a two-sided handcrafted Christmas tree that will be placed over a parking meter in downtown Everett. The tree and ornaments will be displayed throughout the 2024 holiday season. Snowflake memory ornaments allow you to honor or remember a family member, an individual, business, or organization. The name of your special person and a brief message can be included on your snowflake memory ornament. The writing area for the ornament is 2 – 1/2 " diameter. To ensure placement of your ornament(s) on the tree for the Hometown for Christmas event, please submit your order on or before November 20, 2024.

Name of person/family/business ordering: _____

Phone number/email address: _____

Who/What is being celebrated or remember on the snowflake memory ornament:

1.) _____

2.) _____
